

Our Statement of Purpose

As a community of faith led by the spirit we welcome all to worship God and live in loving, just and respectful relationship with each other, our neighbours and the earth. Inspired by the life and ministry of Jesus Christ we strive to recognize the light of God in each person regardless of age, race, physical or mental ability, sexual orientation, gender identity and gender expression, economic status or any other category by which the world may seek to divide. We challenge ourselves to deepen our relationship to God, to see the light of the divine in each person and in all creation, and to live the faith we proclaim in every aspect of our lives.

We will live into this statement by encouraging all who make TSA their faith home to participate fully in all aspects of the life and work of this community of faith.

TSA is a place where the gifts of all people are celebrated.

Please contact Margo Aubert if you would like to have your photo included in the display.
