

Looking Ahead

Minister's Message, July 21, 2020

Over the past two months our Church Council has been busy trying to figure out how to best re-open our church for in person worship and to open our building to our many groups and ministries. It has been a challenge for us as we learn all the regulations we must follow in order to keep everyone as safe as possible. Our re-opening plan has now been developed and it will be sent out to everyone in the coming days. It will also be made available on our website. We'll be following up with everyone to see if there are any questions. You can also direct your questions to the church office as well. At this point our goal is to have our first in person worship on Labour Day Sunday, September 6th at the usual time of 10am.

I will be taking my summer vacation starting on Monday, August 3 and I'll return on Monday, August 31st. For each of those four Sundays that I am away, we have pre-recorded a service. The link will be on our Facebook page and our website, and the video will premiere on Sunday mornings at 10am. Since it is a recording you will be able to watch it any time after it premieres. We pray these services will be a blessing as you enjoy these beautiful days of summer.

With thanks,

Rev. James Murray

One more thing

This Sunday, July 26, our service will include Holy Communion. You are invited to prepare your own elements for the communion. The bread can take any form, from toast to crackers to wafers. The cup can be filled with wine, juice, or even coffee! Jesus is happy to use your bread as we share this meal together.

With thanks,
Rev. James Murray
