Dear Brothers and Sisters in Christian

Yesterday afternoon we received the shocking news that a member of our congregation, Marg McLeish was involved in a serious accident. She has been airlifted by helicopter to a hospital in Ottawa. The only thing we can do for her at this moment is to pray.

Seeking the healing of others is one of the most important things we can do as people of faith. To pray is to open a door to welcome God in. It opens us up to listening to what God is seeking to do in this moment. When we pray, we offer our hands to God so God may use us in God's mission to mend this broken world.

I invite you to join with me in praying for Marg's recovery.

**Loving God, we thank you for this gift of life which is so precious and fragile.  
We praise you for your ongoing work of healing and mending this broken world.  
We pray for our sister Marg that she might recover from her injuries.  
Bless the paramedics, doctors and nurses who have attended to her.  
Use their skill and compassion to help heal Marg and all others in their care.  
Use me, I pray, to bring healing and help to all who suffer.  
Heal me, hands of Jesus, and search out all my pain.  
Restore my hope, remove my fear, and bring me peace again.  
Amen.**

With thanks,  
Rev. James Murray

# **Annual Meeting Failure**

**Sunday, July 5, 2020**

We had to abandon our Annual meeting today as some party crashers got in and disrupted our meeting. We were not able to contain the disruption and the decision was made to abandon the meeting. We will meet in person in September when we can do this in an orderly way.

With thanks,

Rev. James Murray
