Lenten Study: This year's Lenten Study is called "For the Love of Creation", on Mondays from 1-2pm on March 1, 8 & 15. This three part study will look at how our faith can inspire us to move from concern to action as we seek to build a better future together. It will include Bible Study, times of prayer, and faith-filled conversations about the Climate crisis. It will happen online using our Webex teleconferencing system. To receive an invitation please email Rev. Murray at james@tsarenfrew.ca . If you do not have access to a computer, we will have a computer set up in the Marion Roffey Room so you can participate. All the materials needed will be provided so there is no cost for this event.

Sympatico Email Users: We have experienced an issue with our emails, regarding to anyone who has a Sympatico address. For some unknown reason, Sympatico is not recognizing the "tsarenfrew.ca" email addresses. The first step is to ensure that the sympatico.ca servers will let our mail in. Please log into your sympatico.ca contacts log to whitelist (allow) all mail coming from our domain.
