## **Congregational Annual Meeting, Sunday, April 18 11am**

Trinity-St. Andrew's United Church  
Annual Congregational Meeting  
Sunday, April 18 at 11:00am

Due to the current stay at home order in Ontario, we are not able to hold an in person Annual Meeting this year. Instead our meeting will be held online using Cisco's Webex teleconferencing system. If you have not used it before, you will need to download the free Webex app for your computer, tablet or mobile phone. Webex does allow for people to connect via telephone, but the contact number is in Toronto and long distance charges will apply.

If you wish to receive an invite to the meeting, please contact the church office or Rev. Murray. Please contact the church office if you would like a copy of the Annual Report emailed to you, or to arrange a time that you can pick it up from the office.

With thanks,  
Rev. James Murray
