Ontario Stage 3 Guidelines

On Friday, July 16 Ontario will enter Stage 3 of their re-opening plan.

Under Stage 3, all people who enter TSA's building must continue to wear a mask and observe social distancing protocols.

Worship services held indoors will no longer have a capacity limit as long as social distancing protocols are observed. This also applies to weddings and funerals held in the church.

Social gatherings of up to 25 people can be held indoors and 100 outdoors. Food & beverages can be served.

Meetings can be held as long as social distancing is observed and those in attendance do not exceed 50% of the capacity of the room.

Retail stores such as our Thrift Shop have no capacity limit, as long as social distancing is observed.

Stage 4 is tentatively set to come into effect on August 6th. It will run three weeks, till August 27th. There are no clear measures outlined for Stage 4 at this time. The government has promised it will include further easing of social distancing measures.

We will continue to follow these guidelines as we value your health and the well being of our community. We thank you for your support and willingness to respect these measures for the common good of us all.

With thanks,

Rev. James Murray
