E-transfers are preferred, and are to be sent **to a new email address** at [trinityunitedchurch.fundraiser@gmail.com](mailto:trinityunitedchurch.fundraiser@gmail.com) Cash can be paid to the office, during regular office hours. All orders **MUST** be phoned to either of the numbers above listed to confirm your meal and time of pick-up.

**Funeral Luncheon Catering:** There is an ongoing need for volunteer helpers with the teams that provide luncheons at TSA following a funeral service or memorial service. This is not only a service for our congregation, but also a fund-raising activity organized by the UCW. We are forming new teams as the past two years have brought many challenges to our heath. We can no longer do the full luncheons at meal times. We are offering a lighter afternoon reception, or we could assist a catered luncheon. Both services are offered only on the Church premises. If you are interested in helping on or more teams, please leave your name with Debbie at the church office (613-432-2285). You will then be contacted with more information about these catering events, and how you can help.

**July 31 Service:** On Sunday, July 31<sup>st</sup> at 10am, Trinity-St. Andrew's United Church in Renfrew will be holding a special Bluegrass Service. The service will feature the Northern Sons, one of Ontario's premier bluegrass bands. It will be a service full of gospel tunes and joyful singing. A special freewill offering will be

taken to support the Red Cross' Appeal for the humanitarian crisis in Ukraine.

**New Music Director:** TSA Church Council is pleased to approve the appointment of Danah-Lee Krieger to the position of Music Director. Danah-Lee grew up in Braeside and now lives in Renfrew. She is a composer, performer and producer of contemporary Christian music and she has released four solo albums and two collaboration albums and toured extensively throughout North America. She is the owner of More Than A Song Studio in Renfrew where she teaches piano, voice, song writing and recording to individuals of all ages. Her teaching style focusses on an individual's strengths giving her students the ability to express themselves musically. Our choir is looking forwards to working with Danah-Lee to further develop their skills. She has also been nominated for several music awards and as well has won several awards for her music instruction. The conditions of employment that have been worked out with Danah-Lee include a monthly absence for personal reasons during which she will generally be replaced by Schroeder Nordholt, another accomplished musician so we will be in good hands when Danah-Lee is away.
