### **Upcoming Lent/Easter Service Dates:**

Thursday, April 6 - Labyrinth Walk, 6:30-9pm, Maundy Thursday  
Come walk the ancient path to healing and peace. A labyrinth is a simple path painted on the floor. By following the path to the centre, your mind is free to imagine, meditate and pray. It is an ancient form of spiritual guidance and reflection which is making a comeback in our hectic world. It takes about 20-30 minutes to walk the indoor labyrinth. It costs nothing to participate, but the results can be life-changing. Please bring clean shoes or slippers for walking the labyrinth. This is a free event, open to all.

Friday, April 7 - Good Friday Service, 10am

Sunday, April 9 - Easter Sunday service with communion, 10am

Monday, April 10 – Easter Monday – office closed, Shop closed

**Cashier Training:** On April 8<sup>th</sup>, Ellen Groenewoud will be holding a refresher course/training on procedures for opening and closing of the Thrift Shop. This will also include a refresher on running the cash register. Several new procedures have been put in place so this will be a benefit for all volunteers, and anyone interested in learning to be a cashier or cashier helper. Training will begin at 9 a.m. before the shop opens for the day. Everyone is welcome. Please contact Ellen at 613-432-9790 if you have any questions.

**Upcoming Dementia Support Meeting:** The monthly get together for the Dementia Caregivers on April 6, at 10:30 am, in the TSA chapel, will include a speaker from the Dementia Society. The presenter is German Chique-Alfonzo (pronounced Her-man) and he will be providing a presentation entitled 'The Aging Brain and Different Types of Dementia'. We invite you to join us for this interesting event. See Jane de Snaijer for more information.
