**Native Plant Workshop, Saturday, February 8:** Want to contribute to biodiversity? Come learn how to use our seasonal cycles to start native plant seedlings. Following a brief introduction on how to help local pollinators, participants will be provided with materials and instruction on starting native wildflowers to take home. It is requested that participants contribute by bringing minimum 4" deep reused plastic containers such as clean 750g yogurt containers or pop bottles. A special thanks to Northern Wildflowers and Arnprior Seed Library Volunteers for supplying seeds.

**From the Membership Committee:** Our photo wall needs an update to reflect the many new faces in our congregation. We would like everyone to submit a photo to the office by Nov 30 for inclusion in the "Realm" programme and to add to our photo wall. The MPCF committee will print and add or replace the current ones. New photos can be "selfies" of one or two people. If you do not have one to submit, please see Margo Aubert to arrange a time after the service to have your photo taken.

**Upper Rooms:** As the Upper Rooms arrive via Canada Post, an announcement will be made when they have arrived.
