**Welcome:** We welcome David Clemis as our guest speaker today. David has been involved as a LLWL for several years. He is also involved in pastoral care and work with several Seniors Residences in the area. David has conducted services on-line with Zoom. As member of an Audio-Visual Team, he has been involved with the VIRTCH project, a collaboration with seven East Ottawa United Churches to provide a virtual church service every Sunday.

**Coffee Sign-up Sheet:** The UCW have placed sign-up sheets in the Narthex for coffee after worship for August.

**Donating Items to the Thrift Shop:** A Kind Reminder to Our Wonderful Donors from Trinity St. Andrew's United Church Thrift Shop. We are so grateful for your continued support and generosity! Every item donated helps us support our church and the community, gives items a second life and keeps treasures out of landfills. To help us continue offering clean, quality goods, we kindly ask that all donated items be in **sellable** condition --- this means that items are:

- ✓ Clean and in good repair;
- ✓ Free of stains, strong odours and/or pet hair;
- ✓ No broken parts.

As a guideline, please donate only items you would gift to a friend or buy for yourself.

We are unable to sell electrical items.

Thank you for helping us keep our Thrift Shop a joyful place to thrift and give items a second life.

**Missed Watching a Service?** If you do not have access to Facebook, we also have a YouTube channel, and Sunday's service will be uploaded on Monday. Search "Trinity-St. Andrew's United Church" for a listing of past services.
